VOYAGE ASSISTANCE

Out-of-Province / Country Travel Medical Emergency Coverage

Please refer to your CINUP *Employee Booklet* to determine if travel coverage is available under your Extended Health benefit. If your Extended Health benefit does include travel coverage, this benefit is designed to cover charges for **emergency medical treatment** outside your province of residence. **Medical Emergency** means an unforeseen illness or accidental injury requiring immediate medical treatment.

In the event of a medical emergency, you must **contact Voyage Assistance immediately to confirm your coverage and to access the covered services.**
